

MINUTE ITEM

8. ISSUANCE OF RIGHT-OF-WAY EASEMENTS AND RELATED AUTHORIZATIONS.
W.O.s 3821, 3825, 3815, 3813, 3814, 3816, 3788, 3807, 3808, 3809 - GEN. DATA.

After discussion by Commissioner Carr on appraisal data, the Executive Officer suggested that in the future the staff could amplify the agenda items on the calendar for Commission meetings, to include the salient points of the appraisal reports, and also could include photographs.

Commissioner Anderson requested that the staff prepare a report giving a comparison of taxes paid on leasehold interests with taxes that would be paid if the lands on which the leasehold interests are located were actually sold.

UPON MOTION DULY MADE AND UNANIMOUSLY CARRIED, A RESOLUTION WAS ADOPTED DIRECTING THE EXECUTIVE OFFICER TO AUGMENT FUTURE CALENDAR ITEMS BY GIVING MORE DETAILED DESCRIPTIONS AND INCLUDING PHOTOGRAPHS.

Following a question by Commissioner Carr as to whether there were any hardship cases on the calendar on which it was known that action should not be delayed, action was deferred until the next meeting of the Commission on the calendar items listed (copies of which are hereby made a part of these minutes by reference to the Calendar File of the Commission).
